

THE TANNERY
MOIRA

**Private
Parties,
Meetings
& Events**

Private Parties, Meetings & Events

A unique and versatile building, The Tannery is ideal to meet all your function, corporate and catering needs. Accommodating six to 60 people comfortably, the Function Room is on the ground floor of the Tannery. It is our largest room and entirely multi-purpose. This luxurious space is perfect for dinner dances, parties, charity or club fundraisers, conferences and exhibitions. There is formal seating for up to 60 people and a lounge area ideal for drinks receptions. The room can be set up according to your requirements and facilities include a private fully-licensed bar and access to an exclusive outdoor decked area. Adjacent to the function room is the restaurant which can accommodate a further 60 people, again with a self-contained, fully licenced bar and separate entrance. The two rooms can be combined with a maximum capacity of 130 people.

Catering Services

The Tannery boasts a stylish Bistro on the first floor which provides superb in-house dining or alternatively you can tailor your event from the extensive range of options provided here. A full wine list is available to compliment your menu choice. Drinks receptions also prove a very popular way of greeting your guests and can be organised in the bar area of the Function Room.

Location

The Tannery is located on the outskirts of the village of Moira, just minutes from the M1 motorway and walking distance from Moira train station. It is very easily accessible from Belfast International Airport and is only 30 minutes from the George Best Belfast City Airport. Complimentary car parking is available for all customers on site and there are several guesthouses near-by.
